- **you gotta have heart!**
- **you can do anything!**
- **be a kid !** (but don't be childish)
- **It's ok to mess up!**
- **never, never give up!**

you gotta have heart!

- **be passionate**
- **be enthusiastic**
- **be infectious**

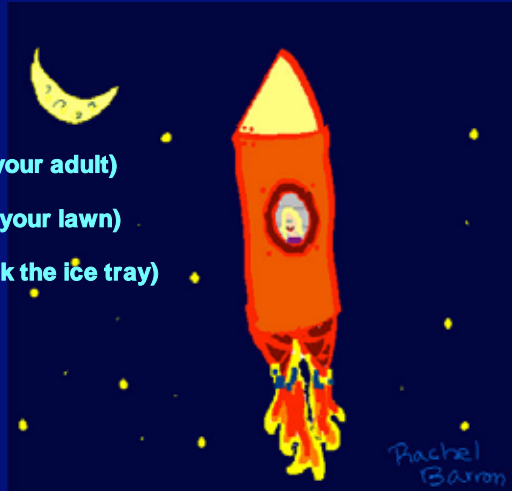

you can do anything!

- **believe in yourself**
- **be optimistic**
- **go for it**

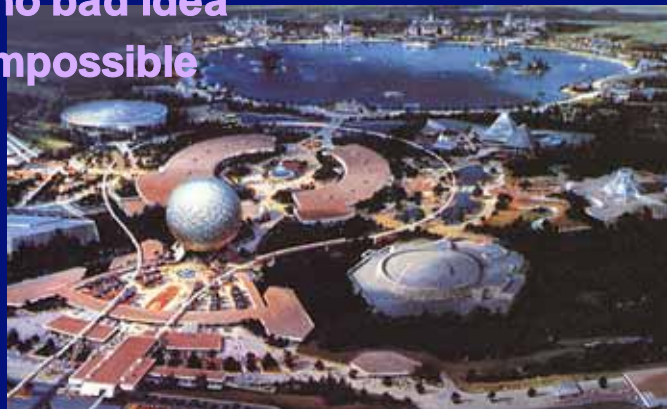

be a kid! (but don't be childish)

- **free yourself** (from your adult)
- **gaze at clouds** (on your lawn)
- **experiment** (don't lick the ice tray)

it's ok to mess up!

- **learn from failure**
- **there's no bad idea**
- **try the impossible**

never, never give up!

- the little engine that could
- keep on trying
- focus on success
