

Exercise #2

What's in a Title and Other Formats?

In this exercise you will use information about fixed fields to determine whether a bib record is correct.

Instructions: Using the MARC record from the previous exercise, look at the following to determine whether this bib record seems correct.

1. The 245 tracing indicator -

2. The 245 filing indicator -

3. Is there a parallel title?
 - a. If yes, what additional tag is needed for computer recognition of the parallel title?

4. Is there a 246 tag?
 - a. First indicator -
 - b. Second indicator -

5. The 008 tag - what info can be determined?
 - a. Does it match the other bib fields?
