

## Exercise #1

### Selecting a Project and Identifying Partners

In this exercise, your group will select one project idea for development during the day and will brainstorm possible community partners.

**Instructions:** As a group, review the project ideas that the group members brought to the workshop and agree on one that the group will use for all exercises during the day.

- A. Write a draft one-sentence description of the project, as best as you can envision it at this time.
- B. Who from the library will be involved in developing and working on the project?
- a. Project coordinator
  - b. Administrative representative
  - c. Research
  - d. Writing
  - e. Production
  - f. Implementation
  - g. Other
- C. Who else in your service community is interested in this? Is any other agency already working in this area?
- D. Who will you approach to partner with you on this? What resources/strengths will they bring to the project? What services will they provide?

<i>Who</i>	<i>Resources/Strengths</i>	<i>Services</i>

- E. Now fill in section 4 on your Project Planning Worksheet.
