

Exercise #5

Critiquing a Sample Need Statement

In this exercise you will critique a need statement that was submitted for grant funding.

Instructions:

1. Read the attached need statement.
2. Make notes in the margin on your overall reactions.
3. Underline phrases that you thought were particularly strong or weak.
4. Under the appropriate columns below marked strengths and weaknesses, note your comments.
5. Be ready to share your comments and thinking behind them with the large group.
