

# **THE COMPUTER SWALLOWED GRANDMA**

**The computer's swallowed grandma  
Yes' honestly' it's true.  
She pressed 'control' and 'enter'  
And disappeared from view.**

**It's devoured her completely  
The thought just makes me squirm.  
Maybe she's caught a virus  
Or been eaten by a worm.**

**I've searched through the recycle bin  
And files of every kind.  
I've even used the Internet  
But nothing did I find.**

**In desperation I asked Jeeves  
My searches to refine.  
The reply from him was negative  
Not a thing was found 'online'.**

**So, if inside your 'In Box'  
My Grandma you should see.  
Please 'Scan', 'Copy' and 'Paste' her  
In an e-mail back to me.**
