

Exercise #4

Watch & Learn or Be a Star

In this exercise you will register for movie studio and create a short film, and locate different types of movies and video clips.

A. Create an Online M&M Movie:

1. Register at M&M Planet, www.becomeanmm.com
2. Select **Character Creator**, and create yourself as an M&M
3. Select a movie to star in at the **Studio** and watch your film

B. Explore Scratch Applications

1. Go to Scratch, scratch.mit.edu/
2. Try a simple Dance program: scratch.mit.edu/projects/deadpool/34056
3. Explore the **Projects** section: scratch.mit.edu/channel/recent

BONUS

Perform searches for different types of movies or video clips using different web tools:

LEGO Films - Internet Archive Moving Images

www.archive.org/details/movies

1. Select the **Animations & Cartoons Sub-collection**
2. Select **Browse by Subject/Keyword** and browse **Brick Films**
3. Search for *LEGO Star Wars* and watch a short clip

Animal Video Clips

Search for Elephant video clips using the following video search tools and compare video results, presentation, and sharing tools for videos found.

1. Arkive, www.arkive.com
2. YouTube: Pets & Animals, www.youtube.com/categories_portal?c=15&e=1
3. National Geographic: Creature Features, kids.nationalgeographic.com/Animals/CreatureFeature
