

Exercise #5 Writing Reports

For each phrase, decide if it should go in a formal incident report, and if not, what should be said instead?

“He was in gang attire.”

“The teen said ‘screw you’ to my colleague.”

“She was belligerent.”

“The obviously mentally unstable man ...”

“He used obscene language.”

“Police car 223 arrived around 1:30 p.m.”

“A lady reported to me that there was a woman bleeding in the restroom.”

“Two thugs started a fight in the parking lot.”

“Creepy Hat Lady refused to leave the restroom at closing.”
