

Exercise #1

Alignment: Where Do You Fit?

<p>1. What is the common purpose of the people in your organization? This can be the <i>mission</i>, as you and your leaders would describe it.</p>		
	Your Leader	Yourself
<p>2. What issues and projects are important to the leader in carrying out the library's mission?</p> <p>How do you already serve the library's mission? What other contributions would you like to make?</p>		
<p>3. What kind of language does the leader use in talking about his or her vision?</p> <p>Could that language be used to describe the contribution you want to make?</p>		
<p>4. Envision someone the leader respects. How would you describe their follower style?</p> <p>Which follower style do you use most often? Is there another style that would serve you better?</p>
