Stepping Up

Learn Love Read

Stepping Up is a child and parent participation program for mobile and active children up to 2 years of age – Get ready to shake, rattle and roll around the room with your little one!

At “Stepping Up” the librarian will share songs and lullabies, nursery rhymes, fingerplays, age-appropriate picture books and board books, simple games, and ways that parents may explore language with their child in a lively and entertaining way.

Here's what you need to know

- Children need to be in good health with clean diapers.
- Diapers may be changed in the restrooms.
- Children need to remain within arm's length of their parent.
- Please bring a quilt or blanket for your child to rest on. (Our storytime carpet gets a lot of use, and is not clean enough for baby.)
- Comfortable clothing for children and adults is recommended.
- Please turn off all cell phones and pagers during the program.
- Nursing moms and their children may use the quiet corner provided in the story space.
- Fussy children may need to be comforted outside the story area for the sake of the larger group. Some may be able to rejoin the group; some need to come back another day.
- Only child and parent or parents may attend. Space is limited, and this program is designed for children and their child care providers only.
- Grown-ups are encouraged to visit together before and after the program.
