

Puppet Show Script
Big Bear Hug
by Nicholas Oldland

<u>Puppets Needed:</u> Bear Rabbit Moose Bird Skunk Snake man	<u>Props Needed:</u> Flannel trees and fruit axe
---	---

Bear: Hello, I'm a bear.
I am so filled with love and happiness that
whenever I go I want to share my love, by
giving a hug.

I just stop, smile and squeeze!

Rabbit: You're kidding me right. AHHHHH!!!!!!

Bear: No animal is too big...

Moose: DuhHHHHHHH What just happened?

Bear: Too small...

Bird: Can't breathe!

Bear: too smelly...

Skunk: You smell almost as good as I do.

Bear: Or too scary to hug...

Snake: I don't think I like being the one to get squeezed.

Bear: But what I love to hug most are trees.
(Hold up trees and put on fruit)

Big trees

Little trees

Apple trees

Pear trees

Peach trees

Bear: I think I'll take a walk.
What's that I see. A man and he's admiring our tallest, oldest most beautiful tree in the forest.
Why he must love trees just like me."

Man: *(Start chopping down the tree.)*

Bear: Why I just want to eat him up I'm so mad...
(bear sighs)

No, I can't, really I can't!!!!!!

I know exactly what this calls for.

(Bear hugs man)

Man: Help me? AHHHHHHHHHHHHHHHHHH!

Bear: *(Hugs tree)*
I feel so much better.
