Thanks for your interest in volunteering with XXXX Library!

The library has a variety of volunteer opportunities with library locations and outreach programs. Feel free to review our openings online and see if any are of interest.

If you'd like to move forward after reviewing our current openings, please complete a volunteer application. This can be done online ([give web address](#)) or by going to any library location and asking a staff member for an application. Once your application is received and reviewed you may be invited to attend a Volunteer Information Meeting. The meeting is an opportunity to learn more about the library, the volunteer program, and get a chance to interview with library staff. At the meeting we will also be able to discuss the next steps regarding a volunteer placement within the library.

Again, thank you for your interest in the volunteer program at Insert name of library. We hope to hear back from you soon!
