Public spaces with fun stuff!

On stage...places ready...Curtain up!

THE CERRITOS EXPERIENCE LIBRARY

These three portals, the human, the building, and the electronic portal provide three unique ways to interact with the new library.
The convergence of all three create the total "library experience of the future"

EXPERIENCE IT!

Main Street

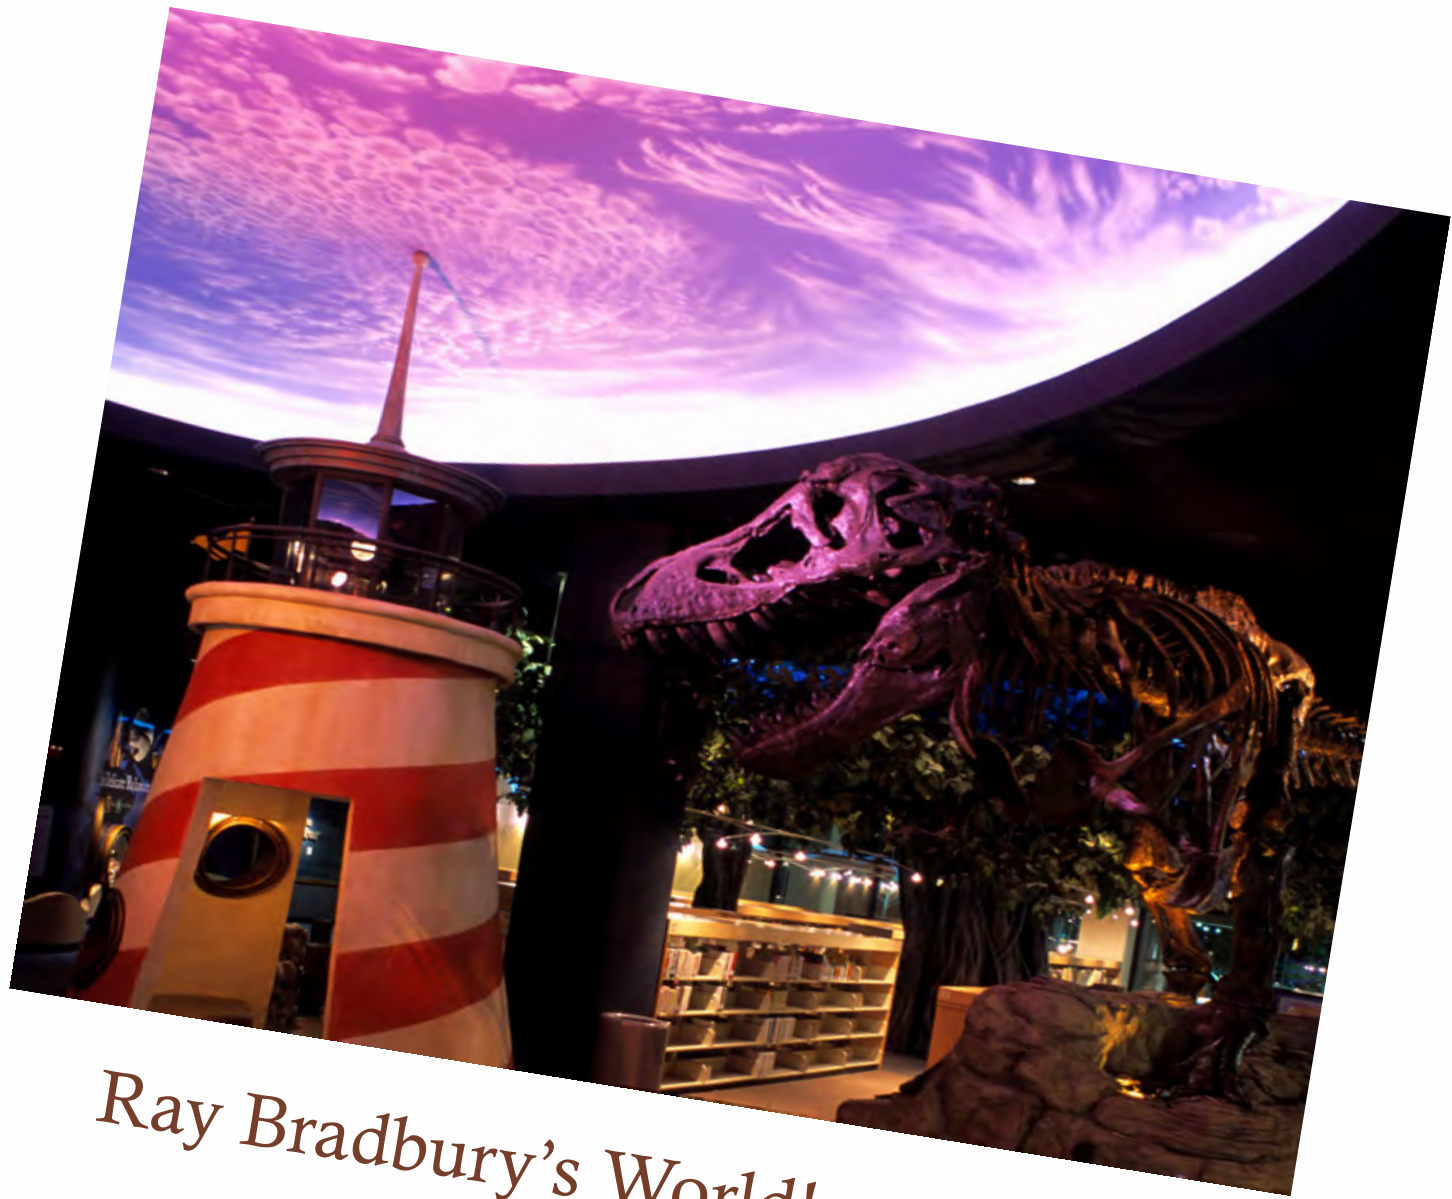

Children's Portal

First Meta-storyline...a quote from

Albert Einstein

Ray Bradbury's World!

**The library of your dreams
...Gothic in its storyline...leather bound
Classics to boot!**

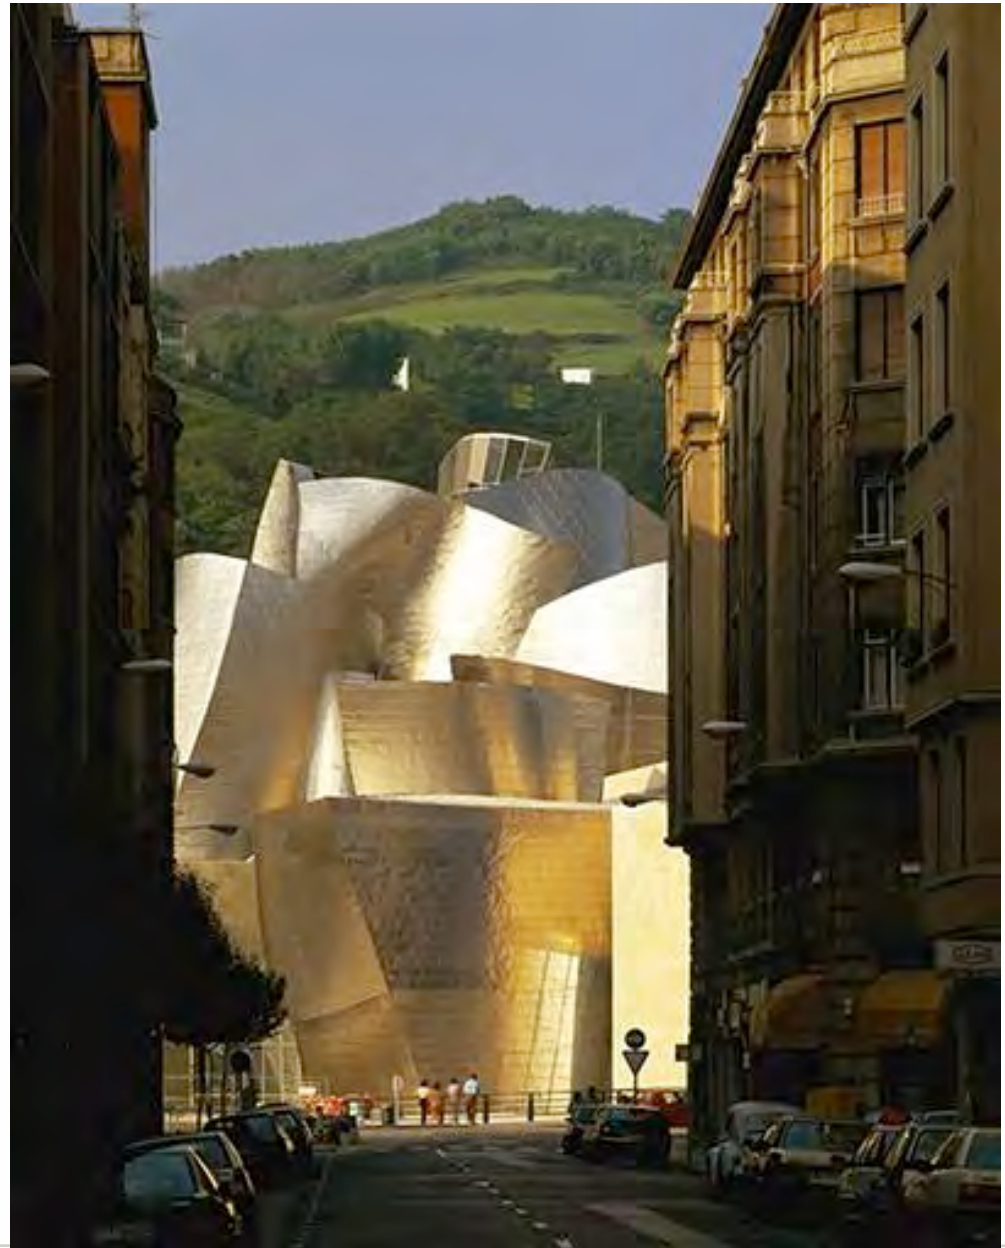

Mother and daughter learning together

Skip answering kids questions
