

Make the most of your Gates grants by ordering your public access computing hardware through Califa at a substantial savings. Discounts are available from Dell, Gateway and Useful with specifications for public access library terminals developed by Infopeople. Califa will aggregate orders on a monthly basis. Discounts are based upon a minimum order of 20 computers from Dell and Gateway. Greater discounts are based upon volume of orders. A complete spreadsheet comparing the offers is available on the Califa website, but the information here will give you a starting point when planning.
