

Exercise #1

Building Relationships through Communication Techniques

In this partner exercise you will share current practices and future ideas about communication techniques and building relationships.

A. Present Techniques/Ideas

Individually, write one or two communication/relationship building techniques that are currently used in your library that foster a partnership between public and school libraries. You will be asked to share one with the larger group.

B. Future Techniques/Ideas

With your partner, identify up to *three* techniques you would like to implement in the future. Please include one electronic version.
