

Exercise #4

Evaluation of Health Websites

In this exercise you will practice your evaluation skills using the websites below.

Instructions: Working with a partner:

- Choose two sites from the list below. Evaluate them according to the criteria we discussed in class and using the Evaluation Checklist.
- Together, discuss your evaluations. Briefly note the best and worst things about each site and decide whether you would recommend the sites or not, and why.
- Lastly, you will make your recommendations to the entire group.
