Online Guides for Citing Sources

Web Resources:

[NoodleBib MLA Starter](http://www.noodletools.com)

www.noodletools.com

A basic introduction to citing sources designed for children in grade one through grade five. Provides clear, color-coded examples. Free software tool.

[BibMe](http://www.bibme.org)

www.bibme.org

A free automatic bibliography maker to help users quickly make a works cited page. Offers MLA, APA, or Chicago formats for books, magazines, newspaper articles, websites, journals, films, interviews, radio and TV, and encyclopedias.

[Online! Citation Styles](http://www.bedfordstmartins.com/online/citex.html)

www.bedfordstmartins.com/online/citex.html

An online reference guide to using online sources.

[MLA Elementary Citation Maker](http://oslis.org/MLACitations/elementary/index.php)

oslis.org/MLACitations/elementary/index.php

Interactive MLA Citation maker for elementary school students.
