

What Kids Should Know about Copyright

Web Resources:

[Fair\(y\) Use Tale \(Video\)](#)

www.youtube.com/watch?v=CJn_jC4FNDo

Professor Eric Faden of Bucknell University created this humorous, yet informative, review of copyright principles delivered through the words of the famous Disney characters.

[Copyright Kids](#)

www.copyrightkids.org

Provides a simple definition of copyright, goes over the basics of copyright, and provides answers to FAQs, and provides an extensive list of words related to copyright. This resource also includes sample permission letters to use when seeking permission to use a work protected by copyright, and information about how to register your copyright for your work.

[Copyright??? – An Interactive Journey for Kids](#)

richmond.k12.va.us/schools/jones/Copyright-Kids/index.htm

An interactive journey through copyright, citing sources, copyright and text, and copyright and graphics, followed by a short test kids can take regarding these concepts.

[Copyright with CyberBee](#)

cyberbee.com/cb_copyright.swf

cyberbee.com/copyrt.html

An interactive question and answer activity for children who are learning about copyright. This resource also includes additional web resources and lesson ideas.

[Creative Commons](#)

creativecommons.org

Provides free tools to let people mark their creative work with the freedoms they wish it to carry. Provides different licensing options and questions to think about when publishing your work online.
