[Copyright & Intellectual Property Policies - Association of Research Libraries](#)

www.arl.org/pp/ppcopyright/index.shtml

This browsable collection of links relates to the Digital Millennium Copyright Act (DMCA) of 1998. Topics include pending legislation associated with the DMCA, analysis, the first sale and fair use doctrines, section 1201(a)(1) (rulemaking), online service providers (OSP) compliance, and section 108. Several links address the effect of this legislation on libraries and library users. From the Association of Research Libraries

Digital Images Available for Educational Use

[Pics4Learning](#)

pics.tech4learning.com/index.php

Pics4Learning is a copyright-friendly image library for teachers and students. The Pics4Learning collection consists of thousands of images that have been donated by students, teachers, and amateur photographers. Unlike many Internet sites, permission has been granted for teachers and students to use all of the images donated to the Pics4Learning collection.

[Smithsonian Photographic Services](#)

photo2.si.edu/

Photographs available for non-commercial educational purposes.

[FreeFoto](#)

www.freefoto.com/index.jsp

FreeFoto.com is the largest collection of free photographs for private non-commercial use on the Internet. The comprehensive, yet easy to navigate site is free to private non-commercial users and for sale to other users.

[U.S. Fish & Wildlife Service Digital Library System](#)

images.fws.gov/

U.S. Fish and Wildlife Service's online digital media library. Presently, the library system contains the National Image Library--the Service's collection of public domain still photos. You may search all the images through the National Image Library link, or you may search by individual collections.

[Library of Congress American Memory](#)

memory.loc.gov/ammem/index.html

American Memory provides free and open access through the Internet to written and spoken words, sound recordings, still and moving images, prints, maps, and sheet music that document the American experience. Permission and possible fees

may be required from the copyright owner independently of the Library. It is the researcher's obligation to determine and satisfy copyright or other use restrictions when publishing or otherwise distributing materials found in the Library's collections.

[Picturehouse Image Sources](#)

www.imagesources.org/search/?google

Picture library directory. Quickly find suppliers of licensed and royalty-free pictures anywhere.

[Google Image Search](#)

images.google.com/

The most comprehensive image search on the web! Be sure to check on copyright or other use restrictions before using any images found on this site.

[Creative Commons](#)

creativecommons.org/

Creative Commons is a nonprofit that offers a flexible copyright for creative work.
