Subject: New Behavior Procedures

Good Afternoon,

We are making a couple of changes to our security procedures. Going forward please note the following penalties:

If patrons are caught watching porn in the library, then they are banned from all OCPL:City locations for one month.

If patrons use racist, homophobic, or sexist language in a verbal attack on staff, they will be banned from all OCPL:City Locations for one week.

I have attached a memo which shows how these procedure changes are supported by current library policy in the Patron Code of Conduct.

Thank you for your attention, if you have any questions, please let me know.
