

Dance Dance Revolution Solutions

Cheap

- TV Dance Pad Plug N Play pad (\$40)
- no console or game required.

Note: I have never used these pads.

<http://www.ddrgame.com/dadareddrtvp.html>

Good

- Playstation 2 console (\$129)
- your favorite DDR game (\$40)
- 2 soft flexible Konami pads (\$30 each).
- Plastic or vinyl construction
- Slowest response rate
- Slippery on some floors
- Playstation/XBox compatible

Note: pads will wear out over time; socks or barefoot play only.

Better

- Playstation 2 console (\$129)
- your favorite DDR game (\$40)
- 2 Red Octane Ignition pads (\$100 each).
- Foam padding lends support – remove pads for easy storage.
- Vinyl and foam construction
- Fairly responsive
- Playstation/XBox/PC compatible

note: superior and lightweight; socks or barefoot play only.

Best

- Playstation 2 console (\$129)
- your favorite DDR game (\$40)
- 2 Red Octane Afterburner pads (\$250 each).
- Metal construction
- Sensitive and accurate response
- Playstation/XBox/PC compatible

Note: durable but heavy. Play best with shoes on

Top of the Line

- Playstation 2 console (\$129)
- your favorite DDR game (\$40)
- 2 Cobalt Flux dance pads (\$569 a pair)
- Plastic and steel construction
- Sensitive and accurate response
- Playstation compatible

Note: durable, professional grade
