

Chat Session for Top Tech Trends in Materials Handling

12:22:21 PM from eileen oshea to All Participants:

3M materials handling info:

http://solutions.3m.com/wps/portal/3M/en_US/3MLibrarySystems/Home/Products/AutomatedMaterialsHandling/

12:23:04 PM from eileen oshea to All Participants:

Look under the Related Resources section for lots of info!

12:26:51 PM from Mary Medina to All Participants:

What about damaged items that you would like to have remain on a customer's account?

12:42:20 PM from Infopeople Project to Chuck OShea (privately):

April Morehouse to Infopeople Project (privately):

Sorry, but what DVDs that get returned with the DVD inside? How is that dealt with?

12:45:49 PM from Allyson Johns to All Attendees:

Our self-checkout machines (tho new) still do not read at least 1 out of 10 items. How would that affect these?

12:49:42 PM from Audrey Fowler to All Attendees:

Can they return the books/media at these "Redbox"-type kiosks, as well?

12:50:08 PM from Infopeople Project to Chuck OShea (privately):

from c b to All Panelists:

Can you have 3M self-checks and gates and a different company's check-ins and walk-up checkout kiosks? Can company products be mixed?

13:00:32 PM from Gary Welte to All Attendees:
