A black and white photograph of a 'NO TRESPASSING' sign. The sign is black with a white border and features the words 'NO' and 'TRESPASSING' in large, bold, red capital letters. The sign is mounted on a wall, and the background of the entire image is a distorted, wavy, grayscale pattern that resembles a liquid or digital effect. The text 'meta name="robots" content="noindex"' is overlaid in white on the sign.

Ford Reinvents the Family Sedan as a Stylish Car

By BILL VLASIC

DETROIT — It's rare for an auto company to undertake a total makeover of one of its best-selling models, from the styling to the seats to the section of engines.

But that's exactly what the Ford Motor Company did with its new Fusion sedan, to be introduced Monday at the annual Detroit auto show.

The current Fusion ranked third in sales among all cars in the United States last year. Yet usually everything was changed on the version that goes on sale later this year — how the “blue oval” Ford logo was embedded into the front of the car.

It attracted attention to detail sur-

A nighttime photograph of the United States Capitol building in Washington, D.C. The building is brightly lit, with its iconic dome and the Statue of Freedom on top clearly visible against a dark blue twilight sky. The foreground shows the grounds of the Capitol, including a large evergreen tree, several streetlights that create starburst effects, and a white maintenance truck parked near the base of the building. The word "government" is written in a white, lowercase, sans-serif font across the middle of the image, centered horizontally.
