Template for Storytime Planning

Use this template to plan your preschool storytime, listing at least **five** books and at least five songs, along with a hands-on art project or activity. Be sure to note if a book is participatory, cumulative, circular, or other book that invites interaction with the audience. Even if you don't plan on using all five books, it is good to have a back-up selection just in case.

Theme of the storytime:

Opening song:

Movement song:

Get Ready to Listen song:

First Book:

Fingerplay:

Second Book:

Stretching song:

Third Book:

Song using a puppet or flannel board:

Fourth Book:

Another fingerplay or counting song:

Fifth book - Extra book if needed:

Closing song:

Arts and craft project or other activity:
